
Meet the Need! This Sunday is Sunglasses Sunday

Churches like ours have the opportunity to provide sunglasses for the prevention of blindness in underdeveloped countries. In 2011, over 3,000 persons in 11 of these countries received eyeglasses to improve vision. Just \$5.00 will provide an eye exam and glasses to someone who cannot afford them. Please help!!! Bring your old eyeglasses and sunglasses to donate and/or contribute \$5.00 or more as the children of Aldersgate pass the collection baskets after the children's sermon. Parents and grandparents, please have your little ones in church to help with this important project. Teach them to focus on the needs of others as Christ taught and teaches. Angels and Stars, I'm asking for your help with assisting the little people. Thanks in advance to all.

P.S. Donations are welcomed all year long. There is a drop box in the hallway to the classrooms.

It's Soup Season!!!

Are you remembering to save those Campbell soup labels? This is just a reminder that we, as a congregation, support the Reelfoot Rural Ministries by collecting these and other labels all year round. (For a full list of labels and lids, please see the bulletin board by Bro. Barry's office.) We will be helping the RRM to provide classroom accessories, books, playground equipment, and music/art supplies for their day care program. Please help and be a part of the recycling community. There is a container in the hallway to the classrooms for your deposit. Thanks in advance for caring.
